Action Taken Report

According to the online feedback of the students taken in the academic year **2019-20**, some students have given suggestions about providing **canteen facility** in the College. The Principal of the College immediately presented the demand of the students in the Annual Board meeting of the Management.

The Executive Board of the Management prioritized the demand of the students and allocated funds for the construction. From the academic year **2021-22**, spacious and well-ventilated Canteen is provided to the Students within same building.
