**Subject : Organize health awareness camp for girl students.**

Respected Madam,

Our institute caters to the Higher education, safety & health needs of girls that comes from rural areas. This institute works for :

- 1) provide higher education to girls.
- 2) provide safe environment & wide infrastructure accompanying advanced educational facilities.
- 3) to raise awareness among girls about health care, self defence and self-sufficientness.

For this purpose, our institute has started 'Women Development Cell' that conducts innovative programmes for our girls as well as from other sister institutes. As a part of WDC's activities, we have decided to organize a 'Health awareness camp' in collaboration with your organization.

In this line, I am requesting you to include free distribution of sanitary pads to encourage it's usage. We believe that it will enable them to adopt hygienic practices.

We are asking for more discussion about this at your most convenient time.

Thanking You
