## **VISION**

**Empowering Women, empowering generation**

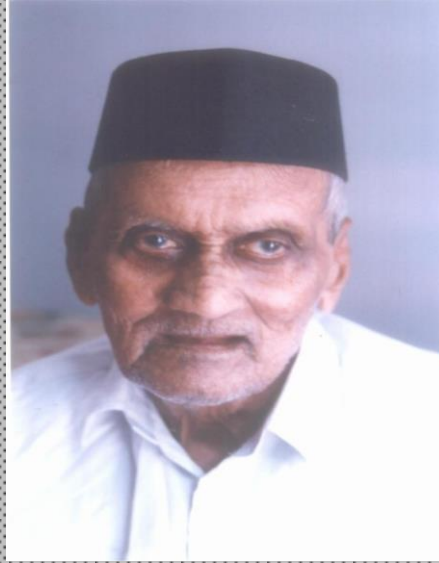

## **MISSION**

**Development of women and their capacity building through socially committed, intellectually inclined, culturally delivered and future oriented paradigm of learning**

## **OBJECTIVES & GOALS**

- 1. To provide women a wider access to higher education of excellence.**
- 2. To enhance access and inclusivity in quality education.**
- 3. To contribute new perspective to the world of knowledge, skill and self-confidence.**
- 4. To provide contest of learning that enhance their professional, human and social values.**
- 5. To mould the students into responsible citizens of the nation.**
- 6. To promote and encourage them for assuming social leadership roles.**
- 7. To empower and strengthen students to strive keeping pace with the changing global needs.**

## Our Inspiration

**Late Shri. Mahadev Bhaurao More**

*Late Mr. Mahadev More was the farmer by profession who had cognition about the drawbacks of illiteracy of people from rural areas of Roha. He came to know the demarcation of rural families in educating their kids. He sows the seeds for pursuing his educational work into the mind of their son Mr. Vijayrao More who is the founder and president of M. B. More Foundation samajik seva sanstha.*

*We pay our sincere tribute to our inspiration Late Mr. Mahadev More.*

## Our President

**Shri. Vijayrao Mahdevrao More**

*Dearest students and my colleague our organization welcomes you in our More family. Please keep in mind every individual on earth is an artist who knows their unique way to sketch their path of success. If someone get succeed then great. But if he or she doesn't then don't allow to lose away their self-confidence. Tell them it's ok. Every soul is set for some special & bigger things. One failure won't take away our talent and dreams. Have faith in yourself and in the almighty. Please do this and if you do, watch your finest home within your reach.*

*Good luck !*

## *The College*

M. B. More Foundation's Arts, Commerce and Science Women College have grown as a shelter for girls students seeking for higher education in Roha taluka. The Management of College has been named after Late Mr. Mahadevrao Bhaurao More was father of Hon. Mr. Vijayrao More, President and Founder of M. B. More Foundation Samajik Seva Sanstha.

After H.S.C., girl students didn't have access to higher education nearer to Roha-MIDC. Girls were either used to go Nagothane, Ashtami or Kolad, all these places 10 km far from MIDC and hence need expenses on travelling. So most families in villages, daughters of MIDC workers forced to left their education after H.S.C. Hon. Mr. Vijayrao More initiated the idea to open up senior College for girls. In July 2012, the College was started on no grant basis in the premises of Dhatav

With this humble beginning, the management established a new Junior College, affiliated to Maharashtra State Board for boys and girls in 2016. This is quite convenient for girl student to take an education at Higher Secondary and graduation level under the same roof. M. B. More Foundation today has grown into a big educational complex imparting quality education to students with rural background.

These Colleges are on prime location on the Roha – Kolad road. About 2.5 acre area and two floors of the building are provided by the management for College purpose. The atmosphere in the campus is fresh and pleasant.

The site is near to *Kundalika* river which is beyond the building ground of 2000 sq. mt.

The College have been equipped with separate laboratories for Chemistry (Instrumental and Non-Instrumental), Botany , Physics and Zoology. All laboratories constitute essential instruments, equipments, chemicals and glasswares. The entire curriculums based on practicals in Junior College as well as at graduation course have been practiced smoothly in each term of the academic year.

The College maintains a well stocked library with about 2000 books which includes textbooks, reference, magazines and about 6 newspapers. The library stock has proposed to register on software in the next academic year. There is a separate reading section provided for teachers and students.

Our College had made necessary arrangement such as Administrative Office, Examination Control Room, Lecture Halls, Principal's Cabin, Seminar Hall, Store room, Record Room, Staff room etc. The whole campus is under CCTV surveillance which is quite satisfactory from the point of view of student's security. The divine atmosphere is maintained on seeing pleasant screens of goddess *Sarasvati* at the entrance of both floors.

We have strong and effective teaching , learning and evaluation system. Our teachers are using modern teaching aids with number of innovative ideas for enhancing and challenging the learning potential of the student. Till now, the teachers and students have continued to shine in academic world and other activities.

We are proud to state that M. B. More Foundation, with its educational institutions, stands tall as a light house in the area of Education and Social change from its beginning.

## *Principal's message*

Welcome to M. B. More Foundation Educational Complex situated at a very prime location of Roha-MIDC. In today's world, We at M. B. More Foundation's Junior and Women College putting our sincere efforts to keep pace with the fulfilling demands of smart education. Our institute stands for excellence through discipline and simplicity.

Our major focus and our concern are our students that come from the rural areas of Roha taluka and our institution strives to impart the best knowledge for promoting & pursuing the dormant properties of the kids with rural background.

The quality objective of our vision-mission for women college is '*To empower women, empowering generations*'. To empower women is to increase their control over the decisions that affect their lives both within and outside the household. Through their empowerment women gain greater share of control over resources and it gives them the power of decision making in the home, community, society and nation. I am extremely proud of being a part of one of the finest women colleges within the Mumbai University.

I want that the curriculum should emphasize the acquisition of thinking and problem solving abilities for all students. The Management and our staff believe that every student is unique and special and they all have the ability to learn. We believe it is our responsibility as educators to nurture and develop every student to her maximum potential. Students are continually encouraged to appreciate our diverse community and to care for others by becoming global citizens and develop a concern and active respect for the environment.

Our institute is an amazing playground with an array of events and activities where each student discovers her true calling and unleashes. This institute has made greater strides in both academic and extra- curricular activities

within few years. Last year has been a happening and fulfilling year as the previous. I always emphasizes that our students should be imparted an all-round education so that they become multi-dimensional rather than uni-dimensional.

Despite the quite fulfillment that the journey so far has been worthwhile, I realize that there are many more milestones to cross. I view the changes and challenges in education as opportunities and feel blessed to be involved with this transition. I know for certain that I can draw upon the collective efforts of all the members of the M. B. More Family – our wonderful management, parents, teachers and staff to share my optimism and partner with me in this transformation. Our goal is to keep the old building of our institute, the youngest in spirit and dynamism.

Thank you for allowing me to share our success stories with you and thank you for being here and for everything that you do for our wonderful institute. I wish that our students will come forward to learn, go forth to serve and excel into the world with great strength, not only to do job but to remain beautiful human beings. My best wishes to the new students entering our College. Have a great year ahead.

**Mr. Prasanna Ashok Mhasalkar**  
**I/C Principal**

## *The Sanstha*

Late Mr. Mahadev Bhaurao More was the farmer by profession who had cognition about the drawbacks of illiteracy of people from rural areas of Roha. He came to know the demarcation of rural families in educating their kids. He sows the seeds for pursuing his educational work into the mind of their son Mr. Vijayrao More who is the successful businessman, Founder and President of M. B. More Foundation samajik seva sanstha.

M. B. More Foundation Sanstha was established in 2005 & the noble aim of establishment of the Sanstha is to work for welfare of rural community near Roha. This noble aim led it to start a school at Dhatav in 2008 named 'English Medium School' which went on developing day by day.

Girl students had no access to higher education nearer to Dhatav. Girls had to go either Nagothane, Ashtami or Kolad, 15-20 km far from Dhatav and hence need expenses on travelling. So most families in villages, daughters of MIDC workers forced to leave their education. Hon. Mr. Vijayrao More initiated the idea to open up senior College for girls. M. B. More Women College had a humble beginning with only 21 students in first year batch. Its success led to the commencement of the Junior College, affiliated to Maharashtra State Board for boys and girls in 2016. The present total strength of our Degree College and the Junior Section about 700 students. The College has consistently attained outstanding results in academics at both Degree & Junior levels.

This is quite convenient for girl student to take an education at Higher Secondary and graduation level under the same roof. M. B. More Foundation today has grown into a big educational complex imparting quality education to students with rural background.

<b>Total</b>	<b>2500</b>	<b>2500</b>	<b>5800</b>	<b>5300</b>	<b>10000</b>	<b>9500</b>

**Note :** The above fee structure have been finalised by Local management committee for 2018-19. All students have to pay separate, yearly exam fees decided by the management in two separate terms i.e.  $350 + 350 = 700$

### C) Mode of Refund of Fees

Condition	Fee Deduction on cancellation of admission					
	1	2	3	4	5	6
Prior to Commencement of Academic Term & Instruction of the course	Upto 20 days after Commencement of Academic Term	From 21 to 50 days after Commencement of Academic Term	From 51 to 80 days after Commencement of Academic Term	From 1 <sup>st</sup> Sept to 30 <sup>th</sup> Sept	After 30 <sup>th</sup> Sept	
<b>Deduction Charges</b>	Rs. 400 /- Lumpsum	20% of the Total Fees	30% of the Total Fees	50% of the Total Fees	60% of the Total Fees	100% of the Total Fees

## *Examination System*

### I) XI Arts, Commerce and Science Junior College

- The results of the Class XI will not be decided on the marks obtained by a student only in the Annual examination. Equal weight will be given to the performance of students in assignments, tutorial examinations, oral examination, practical and project work (whichever is applicable), the internal evaluation and written examinations. The final results will be based on the average marks secured by a student in these examinations.
- **Oral Examinations** : Oral examinations are introduced in few subjects (all languages, all subjects in Arts faculty and all subjects in Commerce faculty) at class XI and XII levels from June 2006. Taking oral examinations as per scheduled timetables is compulsory for all students.

**(Theory : 80 Marks) + (Oral : 20 Marks) = 100 Marks**

- **Practical Examinations** : Appearing for Practical examinations in Science subjects (Physics, Chemistry, Biology) as per scheduled timetables is compulsory for all students. Absentees will have to appear for re-examinations only on payment of a fine fixed by the authorities.

**(Theory : 70 marks) + (Practical : 30 Marks) = 100 Marks**

- In case, a student misses any examination for any reason (such as on medical ground), he/ she must make a written application to the Principal along with documentary evidences in proper time.
- There shall be no re-examination in case of students who fail in class XI.
- 20% of questions in final examination should be included from the 1<sup>st</sup> Term syllabus.
- Evaluation of XI classes for all the subjects will be as follows :

1 <sup>st</sup> Term	Internal Evaluation	25 Marks
	Written Examination	50 Marks
2 <sup>nd</sup> Term	Internal Evaluation	25 Marks
	Final Written Examination	100 Marks

$$\text{Average Results} = 25 + 50 + 25 + 100 = \frac{200}{2} = 100 \text{ Marks}$$

## II) XII Arts, Commerce and Science Junior College examination.

(As per guidelines of the Maharashtra H.S.C. Board on [mahahsscboard.maharashtra.gov.in](http://mahahsscboard.maharashtra.gov.in))

**Note** : No change of subjects is allowed at XII level without the Principal's permission.

## *Programmes Offered (Women Degree College)*

### Undergraduate Programmes (Three Year Integrated Course) :

- 1) Bachelor of Arts (B.A.)
- 2) Bachelor of Commerce (B.Com.)
- 3) Bachelor of Science (B.Sc.) (Chemistry)
- 4) Bachelor of Science (B.Sc.) (Botany)

### Bridge Courses :

- 1) Bridge course in Chemistry
- 2) Bridge course in Botany
- 3) Bridge course in Accountancy
- 4) Bridge course in Geography

### Certificate Courses (Short term):

### Third Year Bachelor of Commerce (T.Y.B.Com.)

#### Semester V

#### **Eligibility :**

A learner being eligible for the admission to the T.Y.B.Com. Semester V if –  
She has passed in all the courses of Semester I, Semester II, Semester III and Semester IV Examinations.

**OR**

She has passed Semester I and Semester II Examinations but failed in not more than four courses at Semester III and Semester IV Examinations taken together, with not more than two courses at each of Semester III and Semester IV Examinations

**OR**

She has passed Semester III and Semester IV Examinations but failed in not more than four courses at Semester I and Semester II Examinations taken together, with not more than two courses at each of Semester I and Semester II Examinations

## Semester VI

### **Eligibility :**

A learner shall be allowed to keep term for Semester VI irrespective of number of courses of failure in Semester V.

The result of Semester VI shall be kept in abeyance until the learner passes each of courses of Semester I, Semester II, Semester III, Semester IV and Semester V.

### *Bachelor of Science (B.Sc.)*

M. B. More Women College is affiliated to Mumbai University. It offers three year integrated course in Science, leading to B.Sc. degree awarded by the University of Mumbai. Bachelor of Science degree course is considered as a foundation course for students who wish to pursue multi and inter-disciplinary science careers in future. The course is most apt for students who have a strong interest and background in Science and Mathematics.

Bachelor of Science (B.A.) is an under graduated course that students pursue right after their class 12<sup>th</sup> Science. Our college offers specialization as B.Sc. (Botany)(6 Units) and B.Sc. (Chemistry)(6 Unit).

After completing B.A. course candidates can pursue M.Sc. course in the same discipline in which they pursued their graduation. Or even secure admission in a professional job-oriented course.

B.Sc. syllabus is broken into six semesters and continuous evaluation is done in each semester. The Choice Based Credit and Grading System (CBCGS) has been implemented at the Mumbai University for all the under graduate (UG) programmes under the faculty of Arts, Commerce and Science from the academic year 2011-12.

### **First Year Bachelor of Science (F.Y.B.Sc.)** **Semester I**

#### **Eligibility :**

A candidate for being eligible for admission to three-year integrated programme leading to the degree of Bachelor of Science (B.Sc.) must have passed the Higher Secondary School Certificate (Std. XII).

Examination conducted by the different divisional boards of the Maharashtra State Board of Secondary and Higher Secondary Education with the following subjects –

1. English (Higher or lower level) carrying 100 marks.
2. Any one of the modern Indian languages or modern foreign languages or any classical language (Higher or lower level) or information Technology carrying 100 marks.
3. Four other subjects among the subjects mentioned below carrying a total of 400 marks

**OR**

Three other subjects from among the subjects mentioned below carrying a total of 300 marks and one more subject from among the remaining optional subjects carrying 100 marks as prescribed for the H.S.C. (Std. XII) Examination.

(List of Subjects : Physics, Chemistry, Biology, Mathematics, Statistics, Geography, Economics, Geology, Psychology)

**OR**

Must have passed an Examination of another University or Board recognized as equivalent to Higher Secondary School Certificate (Std. XII) Examination. (Circular No.-UG/394 of 2004, dated Sept. 06, 2004).

### **Semester II**

#### **Eligibility :**

A learner is eligible to be admitted to Semester II irrespective of number of heads of failure in the semester I

**Third Year Bachelor of Science (T.Y.B.Sc.)**  
**T.Y.B.Sc. (Botany) Semester V**

**Eligibility :**

A learner shall be allowed to keep term for T.Y.B.Sc.(Botany) Semester V if –

- 1) She has Botany as an optional subject at Semester I, Semester II, Semester III and Semester IV Examinations.
- 2) She has passed Semester I, Semester II, Semester III and Semester IV.

**OR**

She has passed Semester I and Semester II and fails in not more than three courses, in each of Semester III and Semester IV (For all subjects, carrying 900 or more marks).

**OR**

She has passed Semester I and Semester II and fails in not more than three courses with not more than total 200 marks, in each of Semester III and Semester IV (For all subjects carrying less than 900 marks)

**OR**

She has passed Semester III and Semester IV and fails in not more than three courses, in each of Semester I and Semester II (For all subjects, carrying 900 or more marks).

**OR**

She has passed Semester III and Semester IV and fails in not more than three courses with not more than total 200 marks, in each of Semester I and Semester II (For all subjects carrying less than 900 marks).

### **T.Y.B.Sc. (Botany) Semester VI**

#### **Eligibility :**

A learner shall be allowed to keep term for T.Y.B.Sc. Botany Semester VI irrespective of grades obtained in each course of Semester V.

The result of Semester VI shall be kept in abeyance until the learner passes each of Semester I, Semester II, Semester III, Semester IV and Semester V.

### T.Y.B.Sc. (Chemistry) Semester V

#### Eligibility :

A learner shall be allowed to keep term for T.Y.B.Sc. (Chemistry) Semester V if –

- 1) She has Chemistry as an optional subject at Semester I, Semester II, Semester III and Semester IV Examinations.
- 2) She has passed Semester I, Semester II, Semester III and Semester IV.

**OR**

She has passed Semester I and Semester II and fails in not more than three courses, in each of Semester III and Semester IV (For all subjects, carrying 900 or more marks).

**OR**

She has passed Semester I and Semester II and fails in not more than three courses with not more than total 200 marks, in each of Semester III and Semester IV (For all subjects carrying less than 900 marks).

**OR**

She has passed Semester III and Semester IV and fails in not more than three courses, in each of Semester I and Semester II (For all subjects, carrying 900 or more marks).

**OR**

She has passed Semester III and Semester IV and fails in not more than three courses with not more than total 200 marks, in each of Semester I and Semester II (For all subjects carrying less than 900 marks).

## T.Y.B.Sc. (Chemistry) Semester VI

### Eligibility :

A learner shall be allowed to keep term for T.Y.B.Sc. Chemistry Semester VI irrespective of grades obtained in each course of Semester V.

The result of Semester VI shall be kept in abeyance until the learner passes each of Semester I, Semester II, Semester III, Semester IV and Semester V.

# *Guidelines for Admission*

## **A) RULES FOR ADMISSION**

- All admissions are given on merit basis as per the rules and regulations of University of Mumbai & Government of Maharashtra. A student seeking admission to the college should present her with an application in prescribed form duly filled in and signed by him and by her guardian at Admission committee.
- No admission will be regarded as granted, unless it is enrolled at University to get sixteen digits PRN.
- All admissions are valid only for one academic year and are required to be renewed with application in the prescribed form for the new academic year.
- Once a student is admitted will be considered as duly admitted for the academic year, unless he informs the Principal in writing of her intention to leave the college at least a week before the commencement of the Second term. If such intimation is not received, full fees for the second term will have to be paid.

**For online admission for F.Y.B.A., F.Y.B.Com. and F.Y.B.Sc., computer facility will be available in the college.**

## **B) DOCUMENTS REQUIRED FOR ADMISSION**

While seeking admission to the First Year Bachelor in Arts, Commerce and Science for a regular student must submit the following documents duly completed :

1. Duly filled in admission form.
2. Original Marksheet of H.S.C. Examination along with three attested copies of the same.
3. School Leaving Certificate / Transfer Certificate with one attested copy of the same.

4. An attested copy of the Marksheet of S.S.C. Examination.
5. Two passport sized recent colour photographs with sign behind of one.

**In other cases, it is necessary to produce :**

- Statement of Marks of the last all examination passed for the admission to T.Y.
- Statement of Marks of First and Second Semester examinations for the admission in S.Y.
- Eligibility certificate in the case of students having passed examination of other than Mumbai University.
- Students belonging to SC / ST / NT / OBC may be admitted to the college without tuition fees on furnishing proof of Caste Category.
- No Objection Certificate (NOC) and Transfer Certificate (TC)
- If a student has passed first /Second year examination in other college & wants the admission to Second /third year, she has to submit the No Objection Certificate (NOC) from the College last attended.
- Admission will be on provisional basis until Online Transfer Certificate (T.C.) is received by the College. Within one year she has to present the Online Transfer Certificate bearing PRN and Transfer Code from the college last attended.
- Migration Certificate to be submitted by the students of Universities other than Mumbai University.

## *Revised Fee Structure*

As per of Mumbai circular no/Concol/fee/292 of 2008 dated 7<sup>th</sup> July 2008

Particulars	B.Sc.			B.A./ B.Com		
	F.Y.B.Sc.	S.Y.B.Sc.	T.Y.B.Sc.	F.Y.	S.Y.	T.Y.

<b>Total</b>	<b>4295</b>	<b>4075</b>	<b>4075</b>	<b>3495</b>	<b>3275</b>	<b>3275</b>

**Note :** Following additional fee will be charge if required.

- 1) Documents verification fees Rs. 400 will be charged from the students those who are not from H.S.C. Board –Maharashtra.
- 2) Fees Rs. 200/- extra will be charged from the students those are participating in Department of Lifelong Learning & Extension.

- 3) Examination fee is charge Rs. 960/- per semester as per the revised guidelines of University of Mumbai. Increase of 5% to examination fees for all examinations conducted in first half of each academic year.
- 4) In case of permanently unaided division and unaided Colleges in **faculty of science**, tuitions fees shall be Rs. 6000/- per annum. In case of permanently unaided division and unaided Colleges in **faculty of Arts & Commerce**, tuitions fees shall be Rs. 3000/- per annum.

### MODE OF REFUND OF FEES

Ordinance No. 0.2859 A & B refund of Tuition, Development & all other fees after cancellation of admission.

	Fee Deduction on cancellation of admission					
	1	2	3	4	5	6
Condition	Prior to Commencement of Academic Term & Instruction of the course	Upto 20 days after Commencement of Academic Term	From 21 to 50 days after Commencement of Academic Term	From 51 to 80 days after Commencement of Academic Term	From 1 <sup>st</sup> Sept to 30 <sup>th</sup> Sept	After 30 <sup>th</sup> Sept
Deduction Charges	Rs. 400 /- Lumpsum	20% of the Total Fees	30% of the Total Fees	50% of the Total Fees	60% of the Total Fees	100% of the Total Fees

## *Examination System*

From the Academic year 2016-17 onwards revised format of 'Choice Based Credit & Grading System' (CBCS) with 10 points grading is incorporated by Mumbai University in all courses. The Academic Council at its meeting held on 30<sup>th</sup> September, 2016 decided to implement the Uniform 10 Point Grading System for all courses except for faculty of technology. The grading system is considered to be better than the conventional marks system and hence it has been followed in the top institutions in India and abroad.

### **Semester System and Choice Based Credit System :**

The Indian Higher Education Institutions have been moving from the conventional annual system to semester system. Currently many of the institutions have already introduced the choice based credit system. The semester system accelerates the teaching-learning process and enables vertical and horizontal mobility in learning. The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning, It is desirable that the HEIs move to CBCS and implement the grading system.

### **Key Words in CBCS :**

1. **Academic Year:** Two consecutive (one odd + one even) semesters constitute one academic year.
2. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed courses (core, elective or minor or soft skill courses).
3. **Course:** Usually referred to, as 'papers' is a component of a programme.

All courses need not carry the same weight. The courses should define learning objectives and learning outcomes. A course may be designed to comprise lectures/ tutorials/laboratory work/ field work/ outreach activities/ project work/ vocational training/viva/ seminars/ term papers/assignments/ presentations/ self-study etc. or a combination of some of these.

4. **Credit Point:** It is the product of grade point and number of credits for a course.
5. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.
6. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.
7. **Grade Point:** It is a numerical weight allotted to each letter grade on a 10-point scale.
8. **Letter Grade:** It is an index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, D and F.
9. **Semester Grade Point Average (SGPA):** It is a measure of performance of work done in a semester. It is ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
10. **Semester:** Each semester will consist of 15-18 weeks of academic work equivalent to 90 actual teaching days. The odd semester may be scheduled from July to December and even semester from January to June.

## 10 Point Grading System

Percentage of Marks Obtained	Grade Point	Grade	Performance
80.00 and above	10	O	Outstanding
70.00 – 79.99	9	A+	Excellent
60.00 – 69.99	8	A	Very Good
55.00 – 59.99	7	B+	Good
50.00 – 54.99	6	B	Above Average
45.00 – 49.99	5	C	Average
40.00 – 44.99	4	D	Pass
Less than 40.00	0	F	Fail

## *Infrastructure & Learning Resources*

M. B. More Foundation's Arts, Commerce & Science Women College is present at the Ground floor and First floor of the building of Hon. Pandurang shastri Aathavle Ayodyogik Vidyalaya in Dhatav premises. Our Management has provided extensive infrastructure for the College purpose and numerous resources for learning. The Ground and First floor of the building constitute 36 rooms that are used for various purposes. Our Management have also constructed a wide Auditorium for the multiple activities of College as well as School.

**Campus** : Two plots from Dhatav premises comprising about 10,526 sq.mt have been provided by the Management for educational purpose. There is beautiful, well maintained garden at the main gate of College that adds glory to the campus. A wide playground behind the building and the *Kundalika* river beyond it enhances the uniqueness of institute.

**Class rooms** : For College purpose about 10 Class rooms are provided on both floors. These rooms are spacious, well ventilated and are equipped with teaching aids such as desks, benches, Chalk board, LED projectors, screen, educational charts and models

**Laboratories** : There are separate laboratories for each subject such as Chemistry (Instrumental), Chemistry (Non-Instrumental), Botany, Zoology / Physics in our institute. All of them are equipped with sophisticated instruments which are well maintained. Safety in each laboratory is taken care of at a high priority. Our Management has appointed one Laboratory Assistant and an attendant for its maintenance.

**ICT for teaching** : LED projectors and screen are installed in 10 classrooms for teaching purpose. While teaching theoretical subjects, teachers are strictly instructed to use PPT on respective topics. Teachers also use multimedia for presentation including You-tube clips and allow a students to

respond critically to the main ideas, implications, strengths and limitations of presentations.

**Seminar Hall** : One wide room with adequate capacity have been provided for College use at the Ground floor of the building. This room equipped with a projector screen, Canon projector and laptop. Our teachers took number of Sessions regularly on projector for enhanced delivery of curriculum.

**Library** : The College maintains a well-stocked library with about 5000 books which includes textbooks, reference, magazines and about 6 newspapers. Our Management had appointed a Librarian for its maintenance. The library stock has proposed to register on software in the next academic year. There is a separate reading section provided for teachers and students.

**Play ground** : About 2000 sq. mt. wide playground behind the College which is an ideal one. Our College have provided separate kit to the students for outdoor and indoor games. The incharge of Sports committee keeps an update of students' practices and even about the maintenance of sports material as well as playground.

**I.C.T. Lab** : One Room equipped with 25 Computers and internet facility have been provided by our College for students as well as Staff through which users are introduce to the world of unlimited stock of knowledge and innovative concepts. This laboratory is open for College members who have provided login for their use. The responsibility of its maintenance have been given to one of the staff member.

**Excursions & Industrial Visit** : The coordinator of Science Faculty arranges a visit at one of the Industry at MIDC in the month of January – February of every year for the students from Second and Third year of

B.Sc. Such visit to Industrial zone enhances the confidence in Students for the curriculum which is based on practicals. The Department of History also organises visit to Historical places around Roha Taluka. . In the upcoming years, the Science faculty also planning of a visit to Botanical garden, planetarium and observatory.

**Guest lectures** : In each half of the academic year one subject expert as guest lecturer from nearby College get invited at our College for a guidance session in every faculty. This helps in recall of the curriculum as well as incorporation of new ideas into the mind of students. Our teaching Staff also gets a chance to learn innovative ideas from the guest.

## *Meritorious Students*

**Ms. Sneha Sunil Kadu**  
1<sup>st</sup> in T.Y.B.Sc. (2014-15)  
CGPA 6.76

**Ms. Dhanshree Vijay Khaire**  
1<sup>st</sup> in T.Y.B.A. (2015-16)  
CGPA 4.25

**Ms. Rani Maruti Holkar**  
1<sup>st</sup> in T.Y.B.Com. (2015-16)  
CGPA 6.86

**Ms. Priti Sunil Parte**  
1<sup>st</sup> in T.Y.B.Sc. (2015-16)  
CGPA 7.02

**Ms. Snehal Vasant Gaiwad**  
1<sup>st</sup> in T.Y.B.A. (2016-17)  
CGPA 5.93

**Ms. Ravina Ramchandra Gaikar**  
1<sup>st</sup> in T.Y.B.Com. (2016-17)  
CGPA 6.43

**Ms. Ankita Mahadev Kolhatkar**  
1<sup>st</sup> in T.Y.B.Sc. (2016-17)  
CGPA 6.35

**Ms. Dhanshree Ashok Pawar**  
1<sup>st</sup> in T.Y.B.A. (2017-18)  
CGPA 5.01

**Ms. Nutan Shankar Bansod**  
1<sup>st</sup> in T.Y.B.Com. (2017-18)  
CGPA 4.28

## *Meritorious Students*

**Ms. Ketkee Raju Pawar**  
1<sup>st</sup> in T.Y.B.Sc. (2017-18)  
CGPA 6.88

**Ms. Mohini Manohar Rohekar**  
1<sup>st</sup> in T.Y.B.A. (2018-19)  
CGPA 7.40

**Ms. Aruna Shivram Ankush**  
1<sup>st</sup> in T.Y.B.Com. (2018-19)  
CGPA 6.69

**Ms. Kirti Shankar Radhakrishnan**  
1<sup>st</sup> in T.Y.B.Sc.(Chemistry) (2018-19)  
CGPA 8.50

**Ms. Sanchita Sharad Thamke**  
1<sup>st</sup> in T.Y.B.Sc.(Botany) (2018-19)  
CGPA 6.58

## *Meritorious Students*

**Ms. Pragati Waman Gaikar**  
1<sup>st</sup> in 12<sup>th</sup> Commerce  
(2017-18)

**Ms. Rinku Ravindra Patil**  
1<sup>st</sup> in 12<sup>th</sup> Science  
(2017-18)

**Ms. Swapnali Sadanand Divekar**  
1<sup>st</sup> in 12<sup>th</sup> Arts  
(2018-19)

**Ms. Navnita Yashwant Bhoir**  
1<sup>st</sup> in 12<sup>th</sup> Commerce  
(2018-19)
